Dear Ms. Williams:

Based upon my telephone conversation with your office, R.J. Reynolds Tobacco Company has the need to fill several field sales positions and I would appreciate any help you can extend regarding resumes and recommendations.

At the present time, we have Field Sales Representative and Retail Representative positions open. I am attaching a brief description of each position as well as R.J. Reynolds Tobacco Company literature.

I look forward to hearing from you as soon as possible.

Sincerely,

Jim Guaneri
